The screenshot displays a web application interface. At the top, there is a table with three rows of book data. Each row includes a book cover image, a title, an ID, a price, a language, a genre, and a set of action buttons. Below the table, a blue horizontal line separates it from the product detail page. The product page features a search bar, the title '1test blah blah', a list of attributes (Genre: Science, Language: Spanish, Author: 1test2), a rating of 2/5, a 'PayPal' button, and a 'Buy Now: \$12312' button. There are also sections for 'Table of contents' and 'About the Author', each containing a single entry '1'.
